

Fees

Generally, school fees are divided into three payments per year however, parents can opt for annual, termly, monthly or fortnightly payments.

Invoices will be sent home at the beginning of the school year unless an alternate request has been made. Otherwise invoices would normally be emailed or sent via post.

We ask that these fees be paid by the due date. Payment can be made by arranging a direct debit payment through your bank or by completing a Centrelink form at our account's office as a convenient way to make regular payments. Alternatively, fees can be paid by cash, cheque or eftpos. A receipt will be issued when your payment is processed.

Please note - The above figures are subject to change in 2025. AGSRC (Average Government School Recurrent Costs) reflects the rate of inflation in Education. As a policy the Assyrian Christian Schools would not increase school fees above the AGSRC or the rate of supplementation that the government provides to the schools. An increase in the school fees would not be more than 5%.
