PRIVATE BUS SERVICE

ACS

Price:

$1000 per student, per year for all bus routes. Prices are reviewed annually and are subject to change.

Bus Drop-Off Procedure:

Handling Students Remaining on Board After Final Stop

PURPOSE

To ensure the safety and wellbeing of all students and to establish a clear protocol in the event a student remains on board after a school bus run is complete.

PROCEDURE

1. Drop-Off Protocol During the Run

For all students, the driver is to ensure they are dropped at the designated stop safely and visibly.

2. If a Student is Still on Board at the Last Stop

a. The driver must immediately contact the Operations Team.

b. The driver is to remain stationary or proceed to a safe waiting location as directed by Operations.

3. Operations Team Actions

Upon notification, the Operations Team will:

a. Refer to the manifest to identify the student(s).

b. Call the school's designated contact to report the situation.

c. The school will attempt to contact the student's parent or guardian.

4. Parent/Guardian Contact Scenarios

a. If the parent/guardian is successfully contacted:

i. A mutually agreed drop-off location can be arranged, ensuring it is safe and within a reasonable distance.

ii. The driver is to follow Operations' instructions regarding the alternate drop-off point.

b. If the parent/guardian cannot be contacted within a reasonable timeframe:

i. The driver will drive to the agreed drop-off location and wait for further instructions from NSBC Operations. NSBC Operations will be in touch with both the parents and school.

ii. After an agreed time, waiting time will be charged $200 per hour to the parent responsible (GST inclusive). Each run will start timing after 5:30pm.

The bus services listed in this timetable are operated by the **Assyrian Christian Schools**.

Please note that all pick-up and drop-off times are approximate. We recommend being ready 5 minutes before your allocated time, as weather, traffic, and other unexpected events may occasionally affect this timetable.

For more information, contact the Operations Team on **(02) 8974 4545**
